**CITY COUNCIL  
AGENDA REPORT**

**SUBJECT: RESOLUTION TO EXTEND PROVISIONS OF CALIFORNIA PENAL CODE SECTION 396 RELATING TO UNFAIR BUSINESS PRACTICES WITHIN THE CITY OF CALEXICO DURING AND SHORTLY AFTER THE PROCLAMATION OF A STATE OF EMERGENCY FOR AN ADDITIONAL 30-DAY PERIOD**

**AGENDA DATE:** June 15, 2010

**PREPARED BY:** Jennifer Lyon, City Attorney (item requested originally by Mayor)

**APPROVED FOR AGENDA BY:** Victor Carrillo, City Manager

**RECOMMENDATION:** That the City Council consider the resolution to extend the application of California Penal Code Section 396, prohibiting charging prices for goods and services above a certain specified percentage in times of declared emergencies for an additional 30-day period.

**BACKGROUND INFORMATION:** On April 4, 2010, the City Manager, as Director of Emergency Services of the City of Calexico, and the City Council of the City of Calexico, proclaimed a state of emergency in the City of Calexico due to an earthquake of a magnitude of 7.2 commencing on or about 3:40 p.m. on the day of 4<sup>th</sup> day of April, 2010. On April 5, 2010, Imperial County and Governor Schwarzenegger declared a state of emergency in the Imperial Valley. On April 6, 2010, the City Council ratified the April 4<sup>th</sup> declarations. Said proclamations were made pursuant to California Government Code Sections 8558(b), 8625, and 8630. The earthquake and the continuing aftershocks have caused/continue to cause considerable damage and created conditions that risk the health and safety of the citizens of Calexico. Since April 6, 2010, the City Council has continued to adopt resolutions extending the local state of emergency at every regular meeting.

On April 20, 2010, the City Council adopted a resolution informing citizens that certain practices regarding unfair competition in pricing for certain goods and services in the local economy were prohibited by state law, most notably California Penal 396, and were punishable by imprisonment, fines, and in some cases, suspension of professional licenses. There have been subsequent aftershocks and the threat to property, lives, and welfare of citizens due to the April 4, 2010 earthquake continues to exist in the City of Calexico as of June 1, 2010.

On May 4, 2010, the City Council of the City of Calexico adopted a resolution extending the effects, including penalties, of the provision of California Penal Code Section 396 for an additional 30-day period pursuant to California Penal Code Section 396(e). On June 1, 2010, the City Council of the City of Calexico adopted a resolution extending the effects, including penalties, of the provision of California Penal Code Section 396 for an additional 30-day period pursuant to California Penal Code Section 396(e).

**DISCUSSION:** The City Council of the City of Calexico may desire to further extend the protections provided to persons affected by the emergency from unfair competition and opportunistic business practice resulting from excessive and unjustified increases in prices for vital goods, services, and accommodations charged during or shortly after a declared state of emergency by extending the effects, including penalties, of the provision of California Penal Code Section 396 for an additional 30-day period pursuant to California Penal Code Section 396(e). If Council wishes to extend this law, then the attached resolution can be approved.

**Future Action:**

The provisions of PC Section 396 may be further extended by the City Council for additional 30-day periods if deemed necessary to protect the lives, property, or welfare of the citizens. If deemed necessary, a resolution will be prepared for a July 20, 2010 agenda to extend the effects of the State law.

The provisions of California Penal Code Section 396 prohibiting contractors from selling any repair or reconstruction services or any services used in emergency cleanup for more than 10% of the price charged prior to the emergency are in effect for 180 days and thus do not need to be extended at this time.

Any violations of this law shall be reported to local authorities for investigation and possible prosecution.

PASSED, ADOPTED, AND APPROVED by the City Council of the City of Calexico, California, at a regular meeting thereof, this 15th day of June, 2010.
